WALK-IN BATHS FOR THE TRADE

The widest choice of walk-in baths for the trade

A style to suit every need

With 13 different designs to choose from, the Access range offers the UK's widest choice of walk-in baths for the trade.

Whatever style or size of bath you require, Access is your first choice with a solution to suit every need. So whether you're looking for a compact bath for a small bathroom, a maxi bath for a larger user, a full length bath with powered seat lift, or an integrated bath and shower, the Access range provides the ideal solution.

Manufactured to the highest standards in our own UK factory

Every Access bath is designed, hand crafted and fully inspected in our own UK factory to ensure the highest standards of quality and reliability. As part of the Care in Bathing group of companies, we have almost 30 years' experience in designing and manufacturing high quality walk-in baths to meet the demands of domestic and care home environments. That's just one of the reasons why our baths are recommended by the Arthritis Foundation for their ease of use. In addition, all our baths are backed by our comprehensive manufacturer's warranty.

Pre-sales service and support

Our experienced team provides a comprehensive pre-sales service including specialist advice to help you choose the walk-in bath that best suits your requirements, plus pre-installation guidance to assist you in its fitting. Specifically for our trade customers, our dedicated sales team can also offer flexible pricing plans to accommodate single or bulk purchases.

An outstanding package of choice, quality and exceptional value

Whatever your needs, Access can provide the ideal solution in an outstanding package of choice, quality, reliability, service support and value for money. We're confident it's absolutely unbeatable!
